

The diagram illustrates the structure of the CMakeFiles directory. It is represented by a light blue rounded rectangle with a dashed border. Inside this rectangle, at the top, is the text 'CMakeFiles'. Below this text is a solid black rectangular frame. Inside this frame, on the left, is a smaller blue square with a black border containing the text 'src'. To the right of the 'src' square, within the same frame, is the text 'Template.dir'.
